WORK EXPERIENCE

Color Sponsor/Photographer, Quad Graphics, Braintree, MA 2007-present

Account Manager

- Oversees creation of 45+ catalog books per year from Photoshop editing to layout and page processing.
- Corrects digital files with advanced Photoshop CS5 skills including complex masking, cloning and compositing.
- Approves all team color corrections, retouching and image combinations for final delivery.
- Manages client expectations for over four major accounts to deliver quality printed catalogs on time.
- Directs and communicates color correction workflow to imaging team.

Photographer

- Captures fashion, product and culinary images for clients including: *Casual Male*, *Lindt Chocolates* and *Geerlings and Wade*.
- Styles clothing, jewelry and food for photography; trains team to develop effective styling techniques.
- Developed and implemented cost-savings plan to keep photo styling in-house, increasing job profitability by 11%.

Photoshop Education Consultant

- Enhances Photoshop skill set continuously via attendance of conferences and classes.
- Educates and trains decentralized staff to implement cutting-edge CS5 editing techniques for improved efficiency.
- Writes bi-monthly Photoshop Newsletter to disseminate new color correction methods.

Freelance Photographer and Digital Retoucher, Leela Briggs Photography, Woburn, MA 2005-present

- Photographs a variety of subjects ranging from weddings and family portraiture to food and product photography.
- Edits images for glamour, fashion and beauty retouching.
- Sells inkjet and chromogenic prints of personal fine art work.

Studio Manager, Damianos Photography, Framingham, MA 2005-2007

- Managed company budget, created estimates and invoices and orchestrated photography shoots.
- Trained new employees and oversaw quality of work, delegated tasks as needed.
- Implemented marketing plan and attended networking events as company representative.
- Processed, edited, retouched and combined digital images.

Freelance Digital Retoucher, Bill Horsman Photography, Framingham, MA 2005-2006

Freelance Digital Retoucher, Spirakis Photo Design, Framingham, MA 2005-2006

- Managed image upload and backup and raw file processing via Adobe Photoshop Camera Raw.
- Edited files to correct for color balance and exposure, adjust for perspective and retouch as needed.
- Finalized files for output and created inkjet prints and proof sheets.

EDUCATION

Rhode Island School of Design (RISD), Providence, RI, June 2005
